

Admission Process

Students are accepted to Covenant Christian Academy through a formal admissions process:

1. Attend an Information Meeting

Parents are required to attend a scheduled information meeting about the school in order to fully understand the expectations of their involvement in the education of their child at Covenant Christian Academy. Parents will receive their admissions packet of materials at this meeting. For a listing of Information Meetings, visit the website or call the school directly.

2. Complete an Application Form

After reviewing the school material, complete the application and return it to the school office along with all academic records and other information as specified in the application packet. There is a \$50 per student application processing fee required at this time. This non-refundable fee covers the admissions process.

3. The Family Interview

The family interview is handled by the Admissions Committee. The purpose of the Family Interview is to make certain that each family has a personal opportunity to have all of their questions about the school answered and to help determine if Covenant Christian Academy is the best educational option for their child. A member of the Admissions Committee will schedule to arrange an interview once the admission application is processed. Once the interview has been completed, the family will be informed of the Admission Committee's decision.

4. Entrance Testing

Entrance testing is required for all new students enrolling in academic classes. Tests are given to determine placement in the appropriate grade level according to a child's Math and English skills in relation to our curriculum. Parents are required to supply copies of the student's school grade reports and/or achievement testing (within the last 2 years) prior to or at the time of testing. There is a one-time \$50 fee per student for entrance testing for students.

5. Enrollment

Once entrance testing results are returned with our academic recommendations, CCA administration and parents will enroll students in the appropriate classes.

6. Order Textbooks and Uniforms

See our website for instructions on how to order textbooks and uniforms. Please allow at least 4 weeks orders to arrive.

7. Attend Parent Orientation

Held the week before classes begin, your class orientation is the time to meet faculty and staff and get vital information for your student's success at CCA.
